

Matteo Sordello

Current address: Via Po 52, Torino

Email: matteo.sordello@carloalberto.org

Mobile: +39 339 8450969

Current Position

2015 Dec – **Collegio Carlo Alberto**, Research Assistant
Supervisor: Matteo Ruggiero

Education

2013–2015 **University of Torino**, Torino, Italy.
M.Sc. in Mathematics with emphasis in Probability
Thesis Title: Diffusion approximation for cluster dynamics in a generalised gamma population model.
Supervisor: Prof. Matteo Ruggiero
Grade: 110/110 cum laude and honors

2013–2015 **Collegio Carlo Alberto**, Moncalieri, Italy.
M.A. in Statistics and Applied Mathematics, *Allievi Honors Program*
Grade: Distinction

2010–2013 **University of Torino**, Torino, Italy.
B.Sc. in Mathematics
Thesis Title: The price of European and Parisian options in the Black & Scholes market (in Italian: Il prezzo delle opzioni European e Parisian nel mercato di Black & Scholes).
Supervisor: Prof. Roberta Sirovich
Grade: 110/110 cum laude

Languages

Italian	Native speaker
English	Fluent
French	Basic

Computer Skills

Good knowledge of L^AT_EX, Python, R, Matlab, Maple and both the Windows and OSX environments.

Standardized Tests

GRE	170/170 Quantitative Reasoning 158/170 Verbal Reasoning 3.0 Analytical Writing
TOEFL	106/120

Publications

2015	RUGGIERO M. and SORDELLO M. (<i>submitted</i>). Clustering dynamics in a class of normalised generalised gamma dependent priors.
------	--

Awards and Grants

2010	INDAM - National Institute of High Mathematics, winner of a nationwide award for the eighty best students in Mathematics
2011	<i>AlfaClass</i> , summer school for first-year honors students in Mathematics and affine subjects, organized by a joint venture of the University of Torino, the Politecnico of Torino and Fondazione CRT, winner of an award in the team competition
2012	<i>AlfaClass Update</i> , summer school for second-year honors students in Mathematics and affine subjects, organized by a joint venture of the University of Torino, the Politecnico of Torino and Fondazione CRT
2013–2015	Collegio Carlo Alberto , <i>Allievi Honors Program</i> Scholarship

Other Experiences and Interests

2006–2010	Participation in Mathematical Olympiads
1997–2014	Volleyball player at semi-professional level, I played in B2 championship and I've been the captain of my team for around 8 years. I represented Piedmont in the youth national competition <i>Regions' Trophy 2007</i>
2008–	Beach volleyball player, I won several tournaments at regional level and I represented Piedmont in the youth national competition <i>Regions' Trophy 2008</i>
